Sunday Sermon Subjects Told

"Unload and Believe" will be the message of the Rev. George Cain, pastor of the South Bay Baptist Church, at the 11 o'clock morning service to be held in the Recreation Building, El Retiro Park, Hollywood Riviera.

Junior church service will be held at the same time under the leadership of Mrs. William L. Stewart, while competent care will be provided for toddlers during these services.

"Fill the Water Box" will be the sermon subject of the pastor at the evening service commencing at 7:30 o'clock. Christian Endeavor will meet at 6:30 o'clock.

Sunday school for all age groups will meet at 9:45 a.m. in the South Bay Community Christian School whose facilities are being used during construction of the new South Bay Baptist Chapel unit, Sharynne Lane, Seaside-Rancho. Residents of the Seaside, Allied and Sepulveda Gardens area may obtain free bus transportation for their children to Sunday school by calling the parsonage, FR. 5-5489.

The parsonage is located at 4500 Mindora Drive, Sepulveda Gardens. Bible study and prayer service will meet Wednesday evening at 7:30 p.m. in the adult Sunday school room in the Christian school. A special business meeting will follow.

Subject of Next Sunday's Lesson-Sermon is 'Mind'

"The Lord is a God of knowledge, and by his actions are weighed," declares the Golden Text from I Samuel (2:3) in the Sunday Lesson-Sermon on "Mind" in all Christian Science churches.

The understanding of God as Mind overcomes human limitations. Jesus demonstrated this overcoming when he healed the nobleman's son without ever seeing the boy. When the nobleman urged Jesus to come "and heal his son: for he was at the point of death..." Jesus saith unto him, "Go thy way: thy son liveth."

"And the man believed the word that Jesus had spoken unto him, and he went his way." His servant met him, saying "Thy son liveth..." Yesterday at the seventh hour the fever left him. So the father knew that it was at the same hour, in which Jesus said unto him "Thy son liveth: and himself be-

lieved, and his whole house." (John 4:47, 50-53).

In "Science and Health with Key to the Scriptures," Mary Baker Eddy declares, "Science can heal the sick, who are absent from their healers, as well as those present, since space is no obstacle to Mind." "The understanding that Ego is Mind, and that there is but one Mind or intelligence, begins at once to destroy the errors of mortal sense and to supply the truth of immortal sense." (pp. 179, 216).
